6. Resurface secondary entrance below ball-field - \$4,800
7. Replace the gym propane furnaces - \$8,000
8. Generator hook-up for guy's bathhouse and cabins - \$12,000

“Wish We Could Projects - 2024 or Later:

1. Replace electric heat with propane heaters in cabins 8 and 9 - \$3,500
2. New flooring in cabins - 9 cabins x \$2,000 each
3. Replace doors on eight cabins – 8 x \$1,000 each
4. Purchase a shed for ball-field storage of sports equipment and mower. - \$4,500
5. Asphalt around the lodge, along the side of the dining hall, and up to the girl's cabins -?
6. Add another staff/family cabin - \$50,000
7. Winterize the water line to the three family cabins. Involves digging water line, etc.
8. Add paid part time staff: summer maintenance, activity director, and cooks for retreats.

“Dream” Possibilities for the Future:

1. Attempt to buy more acreage around the camp.
2. Bury the electric lines, and phone line, coming into camp to take out the poles.
3. Develop and landscape a pond area
4. Buy hunting camps across the road for staff or storage.
5. Drill another well for a back-up water system.
6. Upgrade our waste-treatment system by tying into the nearby township system.
